Masonite – 2 panel arch top wardrobe textured														1800							
Upperbox														400							
Bi-fold – 2, 4 & 6 panel designs			6'6"			6'6"				6'6"											
Masonite wall panelling textured (sold in metric measurements)	Wall panels 619mm x 781mm (24.4" x 30.7") each														Stair panels 244mm x 1020mm (9.6" x 40.2")						
	Total height, including skirting board and dado rail 965mm (38")														(enabling a 1.1 metre stair run)						
															(enabling a run of 2.65 metres in length)						
These sizes are the standard readily available sizes. Other sizes and options are available on request. * Available in smooth and grained finish.																					

A high quality paint finish is easy to achieve with all the 2, 3, 4 and 6 panel Masonite designs. They are factory primed, ready to be painted with either gloss or semi-gloss paint. Natural wood finishes can also be achieved on the 2 panel, 3 panel, and both 4 panel textured Masonite designs.

These sizes are the standard readily available sizes. Other sizes and options are available on request.

*Available in smooth and grained finish.
